

**No two people are alike.**

The members of the *Chambre de la sécurité financière* recognize this fact.

No two people have the same financial footprint. Needs vary, investor profiles differ, and financial situations fluctuate.

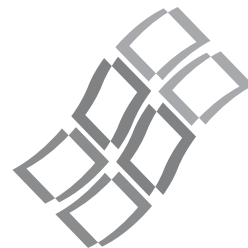

Whether for your mutual fund investments, financial planning, personal insurance, personal group insurance, scholarship plans, or investment contracts, our members have a duty to thoroughly understand your financial situation and needs. It's the law, and it's of capital importance.
