## The Chambre de la sécurité financière It's not what we are, it's who we are

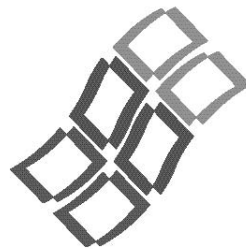

In fact, we are an experienced team who provides guidance and oversight to 30,000 financial product and service experts. And because you do business with our members, whether for your financial planning, mutual fund investments, individual insurance, group insurance, scholarship plans, or investment contracts, it's vital to us that you receive professional service...because competence is your best protection.

For the management team, staff and members of the Chambre de la sécurité financière, there is only one option: competence.
